A Short Biography:

Shahrzad Bazargan-Hejazi, PhD. She is an Adjunct Professor of Medical Sociology in the Department of Psychiatry and Pediatrics at Charles Drew University of Medicine and Science (CDU) in Los Angeles, California with a joint appointment as an Associate Adjunct Professor with the Semel Institute for Neuroscience and Human Behavior at David Geffen School of Medicine at University of California at Los Angeles (UCLA), Los Angeles, CA. She is also an Adjunct Associate Professor in the Division of Health Sciences, College of Health and Human Services at California State University at Dominguez Hills, Carson, CA. As a Medical sociologist and health services researcher she has been the lead investigator and co-investigator in several projects related to the social aspects of disease and illness; youth empowerment health advocacy projects; family and community violence prevention programs for teens and adolescents; and health services utilization improvement for Head Start families, and underserved minorities, particularly those affected by depression, injury, violence, and alcohol problems. Editorial Board Activities: --Associate Editor: Journal of Injury and Violence Research --Section Editor: BioMed Research International: Emergency Medicine --Section Editor: BioMed Research International: Public Health --Editorial Board of Clinical Medicine Insights: Women's Health
